The fourth album of flute master and keyboardist Joseph L. Young, Ethereum is an original creation of instrumental sound, including the melodies from a vast array of ethnic flutes around the world. Delightfully far-reaching and inspirational, Ethereum is a treasure for aficionados of the flute, and connoisseurs of consciousness-expanding music. Highly recommended!

The tracks are "Wavelength" (3:48), "Ethereum" (4:11), "Shimmer" (3:26), "Boundless" (3:27), "Illumination" (4:39), "Past Lives" (3:17), "Entangled" (4:45), "Drift" (3:43), "Free" (5:27), "Crystal Sunrise" (3:28), "Flirting with Fireflies" (3:36), and "Sapphire Moon" (4:40).
